

The
Liquor shelf.

**Increase impulse purchases,
reduce theft rate.**

**Increase impulse purchases by presenting original goods and still secure the goods against theft?
No problem!**

- ▶ Visible appealing presentation of high-quality real goods at the POS for impulse purchases
- ▶ Theft protection in a locked glass cabinet
- ▶ Withdrawal of real goods in the sales room, not in the warehouse
- ▶ Relief for staff, as customers remove the goods in the shop
- ▶ When required, the glass cabinet can be unlocked by remote control
- ▶ Acceptance by insurance companies, reduction of the insurance fee possible
- ▶ Fast amortization of the investment
- ▶ Reduction of theft rate, fewer losses
